

Retrofit Demonstration Rig

The Rig will be parked at:

T O'Higgins & Company Limited Homevalue

From **Monday 17 February** to **Friday 21 February**, Shantalla in Galway City will play host to the Mount Lucas Retrofitting Rig, a fully equipped mobile NZEB (Nearly Zero Energy Buildings) training unit that allows training on energy upgrades and retrofitting to be delivered in communities across Ireland.

Supported by St Joseph's Shantalla Community Centre

Interested in retrofit?

Want to learn more about energy upgrades for your home?

Come along to the Mount Lucas Mobile Training Unit at T O'Higgins & Company Limited Homevalue and meet the experts
